*Fall 2013*

Welcome to Apple Cross Design and Sales.

We are a small independent cross stitch design company, featuring work by Canadian artists. Many of the design subjects are from photographs we have taken during our travels across this vast country. We hope that you enjoy stitching the designs as much as we enjoy designing them.

### Live Long and Keep Stitching

Have a favourite photo that you would like to convert to a cross stitch pattern? We can provide custom conversions at very reasonable rates.
